

LANDAU TRAINING & ENTERPRISE CENTRE NEWSLETTER

A quarterly publication by Landau Limited

TERM HIGHLIGHTS

Staff and students have been working hard to put together parcels for local families in need, students used a budget to shop and pack parcels for local residents and helped to deliver them. This has been a huge success and families have been really grateful.

Students have been out doing their travel Training, this is crucial to supporting them in their next steps.

Learners will be doing a raffle to fundraise for a 6 burner BBQ for our planned Queens Jubilee party so all donations for the raffle are welcome.

LANDAU PRESBYTERY HOUSE NEWS

Thank you to everyone that came along to the meeting regarding the house, planning permission has gone in to develop the house turning it into an 8 bedroom assessment centre with lift access and classrooms with en-suites to all rooms, We are now focusing on securing the funds for this huge project. If anyone wants to know more please speak to Jo Edwards.

DATES FOR THE DIARY

11th April-22nd April: Easter Holidays
TBC: Queen's Jubilee Party
2nd May: Bank Holiday
30th May-3rd June: May half term

EMPLOYMENT CORNER

For some of you, it's time to think about your next step from Landau and focus on alternative provisions, apprenticeships and jobs. In Stoke there are many alternative provisions that offer exciting opportunities. If you feel that your passion is art, Pinc College is a fantastic progression route:

projectinc.co.uk

If you want to explore other alternative provisions please don't hesitate to speak to me. Another excellent progression route is apprenticeships, the government website is a great source:

<https://www.apprenticeships.gov.uk/>

Alongside CV writing, mock interviews, we are here to support with any application. Below are some of the most used job search websites:

<https://uk.indeed.com/>
www.cv-library.co.uk/
www.totaljobs.com/

The last thing I would like to highlight is mainly directed to people who have a Job Coach through DWP. When you have a meeting with them please request information about Kick Start. If you would like some information before you go to your appointment please ask.

SENIOR MANAGEMENT UPDATE

We have had a great start to 2022 and a warm welcome back to everyone. It has seen the arrival of our new portacabin which will house our Arts & Craft area for the learners, this is a great addition to the service.

Last year the team hosted a Christmas Fayre for the learners to sell the craft pieces they had made and sold some really tasty baked goods which was a great opportunity to showcase the talents of some of our creative learners.

They raised £402.68 which was hugely successful for the site, this will be used for learners activities and additional resources. The team also raised £328 for the Defibrillator for the Newstead community which was personal goal for them.

The last 2 years has seen the massive impact COVID has had on us all and this has affected the Study Programme learners obtaining there work placements with employers.

The learners and staff are doing all they can to source placements but we still need your help, if you know of any work experience opportunities please can you get in touch with Kristian Pace on 01782 324 398.

WELCOME TO THE NEW TEAM MEMBERS!
